

Olympic National Forest NEWS RELEASE

July 13, 2011

1835 Black Lake Blvd. Olympia, WA 98512 *** Donna Nemeth*** Public Affairs Office 360-956-2274 *** FAX 360-956-2330

Road Closure to be implemented on Forest Service Road 2350

Olympia, WA - Beginning on July 18, 2011, Forest Service Road 2350, located on the Hood Canal Ranger District of Olympic National Forest, will be closing for repairs at Milepost 7.8 and Milepost 9.5.

These repairs are necessary since the existing road has fill slope failures. Construction efforts will refurbish the fill slope and bring the road to a standard width. These actions will also help to make the road safer.

The road will be reopened as soon as the work has been completed, but the closure is expected to last up to 1 month

If you have any questions or concerns, please call Guadalupe Cisneros at 360- 956-2353.

The mission of the USDA Forest Service is to sustain the health, diversity, and productivity of the Nation's forests and grasslands to meet the needs of present and future generations. The Agency manages 193 million acres of public land, provides assistance to State and private landowners, and maintains the largest forestry research organization in the world. For general information on the Olympic National Forest, visit <http://www.fs.fed.us/r6/olympic>
